

Misty Blues

Misty Blues and lead singer, Gina Coleman, celebrate 24 years of composing and performing original blues with hints of jazz, funk, soul and tent revival gospel. Misty Blues has recorded and shared the stage with Joe Louis Walker and Charles Neville. They have also opened for traditional & contemporary blues artists like Tab Benoit, Roomful Of Blues, John Primer, Albert Cummings and Michael Powers. In 2019 the band became a finalist in the International Blues Challenge. Outside The Lines marks the release of the band's 12th album.
